SERIES DESCRIPTION

This year, as a church, we are focusing on God Stories — discovering how the stories throughout the Bible point us to who God is and what He wants to teach us. Throughout the year, we'll be diving into Scripture and exploring the key messages God has for us in these stories, while helping our youth understand how the Bible connects to their everyday lives.

In our upcoming series, New Rivers in the Desert, we'll be returning to the foundations of our faith and exploring what it truly means to follow Jesus. Together, we'll dive into three essential topics: salvation, repentance, and forgiveness. We'll look at what the Bible teaches about each of these and how they shape our relationship with God and the way we live our lives.

This series is about more than simply learning biblical truths; it's about putting our faith into action! We want to challenge students to take an honest look at their hearts, grow in their understanding of God's grace, and discover what it means to walk out their faith in everyday life. Whether students are new to faith or have been following Jesus for years, this series will be an opportunity to revisit the basics, ask meaningful questions, and grow deeper in their relationship with Him.

Just as God brings new life and growth to dry places, He can bring renewal, healing, and transformation into our lives. We're excited to journey through this series together as we learn to embrace His grace, turn away from sin, extend forgiveness to others, and live with a faith that makes a difference!
